## Testimonials

Mai is a great teacher, she explains everything you need to know thoroughly. I really enjoyed my day of classic extensions with her and I learnt so much from her even though I had NO experience in the beauty industry whatsoever. I'm definitely looking forward to my volume class with her.

- Netty Vo, Australia

I can't believe how much effort Mai has put into her classes. I wasn't sure that this lashing career will work for me. But after learning from her, I finally found that this is it. This is the carrer that I want to do. Mai taught me from the very basic as I have no experience at all. She was fun and so patience and always making sure that I understood every topics before she moved on to the next. The class was so fun and enjoyable. I learnt so much and I couldn't believe that I finally can lash.

- Woraphan Disadee, Australia

First of all I need to say that, I flew all the way from Melbourne to Sydney just because I wanted to learn from Mai. I heard so much good things about her classes and her style of teaching while reserching for the course that I wanted to do. I was NEW to the lash industry with ZERO knowledge. After completing classic class with Mai, I could easily walk away and started earning on the very next day. I have full of knowledge and skill in lashing. I got so much compliment from my clients. I love everything about the course. I can't wait to enrol in your on-line courses.
